

HND MUSIC

OVERVIEW

This course is designed for people who have passed Venue Performance and Studio Skills Level 4 (or alternative L4 qualification in Music). The course is vocationally led and includes extensive opportunities to expand your skills through industry and research based activities including touring, studio skills modules and theoretical study.

Our industry standard facilities allow specialist modules to hone existing skills as well as develop new talents. Successful completion of the HND could lead to progression into degree level work in a related subject. The course is made up of modules, planned and structured to give students a systematic, coherent and cumulative experience.

A typical selection of units on the HND Music course is as follows: Music Performance Skills, Band Rehearsal and Performance, Music Studio Production, Applied Music Production Techniques, Work-based Experience, Critical Music Listening, Preparation, Process and Production in the Creative Arts Harmony and Arranging.
