

RETURN TO LEARNING, LEVEL 1

OVERVIEW

This programme is designed to prepare you for further learning or employment. It will include a number of units enabling you to develop the required vocational skills, as well as assisting learners with personal and social skills.

The aims of the qualification are to:

Engage and enthuse learners whilst they develop personal and social skills

Develop success in learning work-related and basic vocational skills

In addition to the main programme of study, learners will be given the opportunity to develop English and maths skills by completing relevant qualifications.

ENTRY REQUIREMENTS

There are no formal entry requirements for this qualification.

ASSESSMENT

All units are internally assessed using a portfolio of evidence that you will build during the programme of study.

PROFESSIONAL OPPORTUNITIES

Successful learners can progress onto various higher levels of study within the college. Full advice and guidance will be offered to learners.

FURTHER INFORMATION

This programme of study will take place over one academic year.
