

PRE-ACCESS DIPLOMA IN HEALTH AND SOCIAL CARE PROFESSIONS, LEVEL 2

OVERVIEW

The Pre Access programme is designed for adults who wish to return to education and who currently do not hold GCSE Maths and English Grade A-C.

The course is suitable for learners who wish to progress on to the Level 3 Access Programme and who have a keen interest in health and science based careers. The programme has a range of modules, including Psychology, Sociology, Criminology and Human Physiology all of which are taught by subject specialists.

Further information about the subject content can be discussed at interview.

ENTRY REQUIREMENTS

English and maths abilities will be measured using a short online assessment prior to being offered a place on the programme.

ASSESSMENT

Assessments are varied and can include written assignments, reports, presentations, posters and portfolio building.

There are no external exams attached to the programme.

PROFESSIONAL OPPORTUNITIES

Internal progression onto the Level 3 Access programme is guaranteed for all successful level 2 learners.
