

CACHE CERTIFICATE FOR THE EARLY YEARS ADVANCED PRACTITIONER LEVEL 4

OVERVIEW

This level 4 qualification aims to provide professional development opportunities for practitioners working in the early years workforce at level 3. This qualification will embrace the wealth of experience of the level 3 early years workforce and challenge you in both your daily practice and theoretical understanding. You will acquire and use skills of leadership, mentoring, coaching and reflection as you complete the qualification through work-based learning opportunities.

You will study the following units:

Enabling children to learn

Promoting health and well-being through physical activity and nutrition co-ordination

Working with parents to support children with additional needs

Working with families and other professionals in early years settings

Implementing change in an early years setting, incorporating a small piece of research

ENTRY REQUIREMENTS

All applicants will be interviewed before being offered a place on the course and learners must be at least 19 years of age. We welcome applications who hold an appropriate childcare qualification at level 3 along with GCSEs grade C or above, which must include maths and English. Applicants must be employed in an early years setting at level 3 to complete the qualification.

ASSESSMENT

You will be assessed using a variety of methods including: presentations, written assessments, reports and a small piece of research and reflective accounts along with work which is undertaken within your work practice.

PROFESSIONAL OPPORTUNITIES

At the end of the study period the student will have a valuable qualification in its own right as well as having knowledge and experience which will allow students to gain new opportunities in education and
